On the Sideline

by Jack Nelson

It just may be that the long football drought at Brigham Young University is about over. If you'll drop down to the practice field one of these nights during spring practice, you'll see a long brown man who has the responsibility of putting BYU high in the race.

You've probably seen Hal Kopp in assembly, but you really haven't a picture of him until you've seen him on the field as an athletic coach and trimmed cap. Then you know he's all business and that business is football.

Coach Takes Big Job

It's a real job that the coach from Rhode Island has taken. A few years ago there probably wasn't a college in the country that was so apathetic about football as BYU. We were losing games, but nobody seemed to care. Then, along with the growth into a big-time college there was a growing feeling that BYU should have a football team that they could be proud of.

It's going to take rebuilding, but it can be done and Hal Kopp looks like a man that can do it. At Rhode Island his first game drew just thirty-eight paid admissions, and he built them into a powerful team that people clamored to see.

Of course at BYU the situation isn't hardly that bad. Shocks, the Cougars won a conference championship just back in 1957. And we've even whipped Utah once in modern history.

Kopp Starts With Bang

Kopp started right off with a bang. The first night when everyone was expecting a light work out, they ended up bumping heads. The new coach meant business, and it looks like the BYU team is going to mean business also. There's enthusiasm on the team, and they are tackling and blocking with a vengeance, which is a welcome change from former years in this neck of the woods.

Somewhere there is a sneaking suspicion in the air that the BYU team may fool a few people next year. They are a young team and it will grow into a couple of years before we'll be beating Notre Dame, but maybe we're on our way.

Cougar Chair-boys

Coach Kopp is a man with a sense of humor too. When he was showing the team his open type of huddle he listed them out and solemnly said, "All right boys, we're playing for a church school so we're going to use a chair-boy huddle. You'll face the quarterback and let him lead the singing."

Along with new football enthusiasm, we hear rumors that a new stadium is being planned for the next couple of years. There is supposedly a leasing between 25,000 and 50,000 seating capacity. All we can say is, remember the bulldozer that grew too small so soon. Then stand back and let the ball bronze man go to work and fill it.

Golf and Tennis Squads Meet Redskin Foes Friday at Utah

HAMPERED BY rains this week the tennis and golf teams have been unable to get in much practice since their series with Montana last week, but are expected to be ready to go Friday against Utah.

Coach Fred Dixon's crew clubbed the Grizzlies earlier, 7-6, and the basketball, 17-15. Montana traveled since then to Utah and lost both sports. The tennis 4-2 and the golf 12-3. The tennis 4-2 and the golf 12-3.

ED PINEGAR scored most his toughest run of the Western Division in the Tiedel Tiedel put McDole of Montana away 6-4, 6-3, and Pinegar dribbled the Grizzly 6-6, 1-1. Comparing scores proves nothing but the "Skunk" had a harder time getting into the "Ties" than did the Cats.

The traveling crew will probably consist of Ed Pinegar, Mike Frimpton, Gordon Crandall, Doug Smoot, Judd Flower, Matt Adams, Gary Davis, Sam Kimball and Ray Skillings.

ON THE GOLF scene, things look considerably easier for the Cats than last last season. At Timpanogut Golf Course, 12 to John Gordon, who carried a 6-3 last Friday against Montana. The other have done on their Fort Douglas Course in a 12, shot by Bobby Madison Monday.

Cougar dividers Greenlee, Phil Carson, Dean Jones, and Max Fillmore could get past Salt Lake Lakers without too much trouble.

Cats Face Utes In Baseball Go At Tepeetown

BRIGHAM YOUNG University baseball team is scheduled to Salt Lake City Friday afternoon where it will take on Utah in a Western Division baseball game. The first pitch is to be thrown at 2:30.

Utah will play BYU at the Timpanogut Park Golf Course afternoon to round off the first series of play this season between the two teams.

GOING INTO Friday's contest each BYU and Utah has played two division games, both with the same team, Montana.

The Cougar opened their season last Friday on the wrong foot as they dropped a 6-3 decision to the Grizzlies. The Utah Cats came back to dump the Silver Ties, 6-3.

Today afternoon the Utes and the Montanas split a double-header in Salt Lake, as the Beahms took the first encounter, 3-4 and the Montanas nine topped the second game, 7-4.

BYU COACH Wayne Tucker is planning to start Benny Madison on the hill for the Cougars' Friday game. Madison won two grapefruit league games on the Cat's tour to Southern California earlier this season.

Pitching and defense were the bright spots of BYU's play last weekend in 13 innings Montana could collect only 10 hits off the Cougar offerings.

but just a lad with a lot of confidence.

The time of 2:05 G is the best recorded so far this season in the last mile. Ward of Weber would have to cut 3.6 seconds off this time. Also strong are Trullie of West with 2:07.7 and Mike Gies of Jordan, 2:09.

A 22-year-old record of 4:26 on the mile will undoubtedly go untested. Richfield ace miler, Morrison, has sped in a 4:47.7, the fastest so far this year.

In the hurdle events the 120 high could be tested by Durban of West, Salt Lake, or McQueen of East. Durban has a 15 and McQueen, a 15.2. The record stands at 14.8. The 120 and low mark may be tried by Pulman, West, with a 12.5, or McQueen with a 13.7.

The 12 lb shot put record of 52 feet 1 inch could be pushed by Mickey Jones of Jordan. With throws of 47 feet 11 inches and 48 feet 8 inches Ewing of Jordan has a 48 plus toss.

Probably the saddest mark on the books is the javelin record. The 188 foot 1 inch mark with his dual meet time of 177 feet, 2 inches. West, Wausch Academy, Salt Lake City. Miller, Jordan, has thrown of 173 feet 11 inches and 167 foot 10 inches, respectively.

Two bar events, the high jump and pole vault seem to be pretty safely in the books. Mike-sell, West High (hurdle), has vaulted 11 ft 8 inches. The record is 12 feet 5 inches held by Schmitt of South. He is now at Utah.

West athlete Durban cleared the bar at 5 foot 11 inches in dual competition, but still lacks 3 1/2 inches to beat the mark of 6 foot 2 inches. Wausch, Granite, and Barrett, Jordan, have cleared 5 feet 10 inches. Relay times in both mile and

880 could easily be broken. The mile South High, Salt Lake has recorded a 3:37. Next record is 3:41.

Record of 1:32.6 may be held by another of South's who ran the 880 relay. The Richfield middle school will be running a dual record of 3:41. There has been a 3:43.

The event which draws attention than any other is the All-Around Athletic event. Wilford White, Mesa High School holds the Imperial total point outputs of 43-year meet, with 6,223 in 1946 and 6,525 in 1947. Jim Davis, last year's winner, racked 6,620 while setting a new record in the javelin event.

High school track and field competition will begin Saturday. The Invitational Tennis tournament will seem quite the same old Wayne Pierce and Richard Dixon dominating the Clay and 3 singles, respectively.
